## “LETTERS FROM FT. CONDOM”

16925 9<sup>TH</sup> AVE SE, MILL CREEK, WA 98012

150 years ago, the states in the north-eastern seaboard were Republican held states, dressed in the ‘color blue’. They called themselves ‘Yankees’.

States south of the Mason/Dixon line, the Democrats, wore ‘blue’ too, but they were considered the red states. They were known as ‘Rebs’.

Sometime later, things changed...forward to 2010.

Today, the Democrats are blue and inhabit the north-eastern seaboard ‘Rebs’

The Republicans? Now they’re “red”, and control the southern states. ‘Yankees’

Strange thing: Now the Republicans are calling the Democrats “yankee/and vise versa”  
\*\*\*\*\*.

TWO DAYS LATER: TV TALKIN’ “TO ME”: What do you think of the health insurance bill?

MTM: Health insurance? I can barely afford auto insurance. What are you talking about?

TV: “Are you on food stamps? Do you need government coupons?”

MTM: Sign me up!

TV SCAM ARTIST: “Do you need government assistance, in the form of a pay day loan?”

MTM: Leave me alone.

PHONE SOLICITOR: “I’m sure we can’t help you. This is a recorded message.”

On a daily basis, this is how life is from sun-up, to sun-down, over here on the west side of Washington state. How about you?

Lot’s of people. No work.

I suspect it’s the same everywhere. Go Figure?

I promise to write you soon. Yours Truly, Mike the Mover.....
